**DECLARATION UNDER 37 C.F.R. §1.608**

I, Pierre Jean Messier, declare that:

- (1) I am the Applicant in the above-indicated application;
- (2) I made the subject invention in the United States of America prior to June 9, 1994, the claimed priority date of U.S. Patent No. 6,096,216.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Signed at Mirabel this 11<sup>th</sup> day of December, 2000.
